George Boronow, President

Well Gordy, Lynne says the picture is a big improvement. She thinks you did a good job of sorting through the morass of possibilities. I am not sure what I think. That was rough.

2012 has arrived. Happy New Year everybody!

Speaking of 2011 coming to an end, the Packers had a good year and made the playoffs. Our Club will benefit by working at least one playoff game at the Pro Shop. Our members and families did a great job filling the work assignments. As members, we get involved in a variety of ways for the benefit of the kids we serve. We appreciate those that served the Club by working the games. The Pro Shop Fundraiser is critical for our projects and our major source of funds for youth. We need volunteers to sign up for the playoff game.

We especially want to thank those that gave time out of their Christmas and New Year Day holiday to work for the Club. If we have not caught up with you to thank you personally, we will catch up with you at an upcoming Thursday meeting.

The Badgers will be playing later today. I hope we are talking about a Rose Bowl victory on Thursday. Go Badgers!

On 2012!

George

Last Valentine's day we had the opportunity to deliver flowers for John Hallee's Flowerama and we raised \$650.00 for the club. For this Valentine's day John has offered to use us for delivery again and has raised the amount for us an additional \$1.00 per delivery. The day last year turned out to be a lot of fun with some heated competition going on between vehicles. Jim and Linda's team won although they used the three little pigs strategy and got to Flowerama twenty-thirty minutes before anyone else and built a sustainable lead over the rest of us. We will be prepared for them this year! I am hoping you can give us an assist this Valentines day because John said he will have a lot more deliveries than last year. All you need is a car/van/suv to run the deliveries. Anything can be used as long as it is heated which excludes the back of pickups. Please plan on giving us a hand and help us make over \$1,000.00 for the kids this year.

One A Week Club News

We are anxiously awaiting the year end report from American Red Cross which we will share with our friends at the Hallie Club. The suspense is killing me.

Well, this is a new year and we must begin again. I am awaiting a new challenge from the Hallie Club. In the mean time, let's get donating again.

Blood is needed for emergencies and for people who have cancer, blood disorders, sickle cell, anemia and other illnesses. Some people need regular blood transfusions to live.

Imagine if giving blood was part of everyone's life. Something you did on a regular basis, like eating at your favorite restaurant. What kind of difference would that make? For nearly 5 million people who receive blood transfusions every year, your donation can make the difference between life and death.

If you are eligible, the need is always there, so call today and make an appointment so we can get a fast start. If you are not a donor, please consider becoming one. You will not regret the decision to help someone in need.

Jefferson School Christmas Party

Sunrise Grapevine

Jefferson Christmas Party

Santa, Rudolph, Christmas Dog and Snowman delighted the 180+ students of Jefferson School on December 22.

The Marq provided the cookies and juice delivered to each classroom by Mary Ann and Mel and the Adopters Choir, led by Judy Shafel, made the rounds singing Christmas Carols.

Each student received a special gift from Santa, a new hooded sweatshirt that had Leaders in the Making on the front and Jefferson Jaguars on the sleeves.

After school Santa and a group of helpers delivered presents and groceries to both of our adopted families and an additional family that was adopted by Club member. As you can see, the young man on Santa's lap was proudly wearing his "Leaders in the Making" shirt he had just received from Santa at school.
