Hello fellow Optimist!

I know that summer time is a busy time for many of us. It's a time to travel with family, garden, enjoy the outdoors, camp, fish, 4 wheel, boat, enjoy water activities, festivals galore, yard work...etc. I think you get my point that living in WI we only have a few short months to enjoy these warmer months and many of us do that to the fullest.

As we are all out and about please don't forget our weekly meetings. Optimist is certainly something to be enjoyed. Our weekly meetings provide time to focus on our Optimism, what Optimist does for our community, learn from community speakers and share a moment and meal with our Optimist friends in an effort to guide our thoughts and purpose with Optimism behind them!

I know I will also have to miss a few (and I mean only a very few!) meetings this summer BUT I can assure you that on every Wednesday, as always, I will be taking an extra moment to think about what Optimist and Optimism means to me. What do they mean to you?

Here's to a safe and happy summer, a successful fair, crazy daze, and Labor Day fundraising efforts for our club and our much anticipated and needed community activities that we as the Merrill Noon Optimist support.

Yours in Optimism,
Meredith

The Optimist Creed

Promise Yourself-

- To be so strong that nothing can disturb your peace of mind.
- To talk health, happiness and prosperity to every person you meet.
- To make all your friends feel that there is something in them.
- To look at the sunny side of everything, and make your optimism come true.
- To think only of the best, to work only for the best, and to expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past, and press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.
- To give so much time to the improvement of yourself that you have no time to criticize others.
- To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

Youth of the Month

Morgan Wolfram

Morgan Wolfram was nominated for the Youth Optimist by Janeen LaBorde and was selected by the Merrill Noon Optimist for the month of May. Mrs. LaBorde wrote that “Morgan is one of the hardest working students she has ever had in class. Morgan has taken demanding courses to help prepare her for nursing school and her study habits are impeccable”. Mrs. LaBorde also states that “the maturity Morgan demonstrates in her learning academic content is well above many of her classmates. Her resilience is incredible”.

Morgan has a cumulative GPA of 3.5. She participated in the Health Apprenticeship and is currently a CNA.

Throughout her high school career Morgan has been active in Forensics, Octagon Club, Deca, choir, Camp Manitowish and Youth Apprenticeship for healthcare at Pine Crest.

Outside of school Morgan volunteers at Bell Tower, Special Olympics, Make A Difference Day and is involved in various church activities. Morgan also enjoys hunting, fishing, going for walks and spending time with her friends.

Morgan plans to attend UW Marathon and then going to UW Oshkosh for the registered nursing program to become a full time CNA at Pine Crest. She is the daughter of Rick Wolfram.
