President's Page

So as I write this it's Friday afternoon and the sun is out and the extended forecast for the upcoming holiday weekend looks hot and sunny! How can you help but smile? Well as we take the external cue from the sun and let it brighten our spirits let us not forget that the optimistic attitude can be something that keeps us smiling all the time, no matter the weather. I admit a few grey days in a row and I start losing a bit of wind in my sail but maybe focusing on one line from the creed this week would help those grey days in the future "To look at the sunny side of everything and make your optimism come true". So here's to looking at the sunny side and remembering as Optimist we have the ability to direct our own forecast!

My extended outlook says: full of smiles with a chance of an outright grin!

Hope to see you all soon!

Yours in Optimism,
Meredith

The Optimist Creed

Promise Yourself-

- To be so strong that nothing can disturb your peace of mind.
- To talk health, happiness and prosperity to every person you meet.
- To make all your friends feel that there is something in them.
- To look at the sunny side of everything, and make your optimism come true.
- To think only of the best, to work only for the best, and to expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past, and press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.
- To give so much time to the improvement of yourself that you have no time to criticize others.
- To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

TORNADO VOLUNTEERS

Gloves are needed for volunteers assisting with clean up efforts. About 150 pairs of rubberized or light-weight leather gloves are needed within the month of July/early August. Rakes and shovels are also needed. You may drop off donations at St. Johns Church or contact Ron Kautz at 715-218-0103. If you are interested in volunteering, please contact Ron. Many volunteers are still needed to assist with clean up efforts.

Youth of the Month

Morgan Wolfram

Morgan Wolfram was nominated for the Youth Optimist by Janeen LaBorde and was selected by the Merrill Noon Optimist for the month of May. Mrs. LaBorde wrote that “Morgan is one of the hardest working students she has ever had in class. Morgan has taken demanding courses to help prepare her for nursing school and her study habits are impeccable”. Mrs. LaBorde also states that “the maturity Morgan demonstrates in her learning academic content is well above many of her classmates. Her resilience is incredible”.

Morgan has a cumulative GPA of 3.5. She participated in the Health Apprenticeship and is currently a CNA.

Throughout her high school career Morgan has been active in Forensics, Octagon Club, Deca, choir, Camp Manitowish and Youth Apprenticeship for healthcare at Pine Crest. Outside of school Morgan volunteers at Bell Tower, Special Olympics, Make A Difference Day and is involved in various church activities. Morgan also enjoys hunting, fishing, going for walks and spending time with her friends.

Morgan plans to attend UW Marathon and then going to UW Oshkosh for the registered nursing program to become a full time CNA at Pine Crest. She is the daughter of Rick Wolfram.
