

Sunrise Grapevine

President's Corner

George Boronow, President

I would like to make a plug for members to sign up for the Sunrise Optimist Club "Breakfast with Santa" event. I hope you can attend and help make it a success. Ken Vogel, Social Committee Chair organized the event for Sunday December 4th at 10:00 AM at Rivers Bend Restaurant. Contact Ken at vogel-mjk@sbcglobal.net or sign up at our meeting.

What a great event and great time for our kids and grandkids. Santa's appearance and the kid's reactions are magic. Lynne and I have special memories from the years our kids were young. We look forward to going each year.

"Breakfast with Santa" is for all our membership and families of all ages. We get dressed up, go to a nice restaurant, eat great food, gather with great friends and catch the Christmas spirit. It is a signature social of the Sunrise Optimist Club. I would love to see everybody there, whether you have kids you can bring or not.

Happy Holidays!

Is it safe to give blood?

Donating blood is a safe process. Each donor's blood is collected through a new, sterile needle that is used once and then discarded. Although most people feel fine after donating blood, a small number of people may feel lightheaded or dizzy, have an upset stomach or experience a bruise or pain where the needle was inserted. Extremely rarely, loss of consciousness, nerve damage or artery damage occur.

Can I get HIV from donating blood?

No. Sterile procedures and disposable equipment are used in all Red Cross donor centers. We use a needle only once and then dispose of it. You cannot contract HIV or other viral disease by donating blood.

Hello Everyone!

I would like to write a little about “Membership Magic.”

Current club members are our most valuable assets, and our mission as Optimists is to serve youth and our community. We work with the kids at Jefferson School, Franklin Middle School and West High, where we provide mentoring, guidance and social opportunities. One of the greatest things a member can do is to sponsor a new Optimist Member! By doing this single act they have essentially doubled the amount of service we can provide. It has been said that each new member provides an average of increased service to 35 more kids.

New members enhance who we are as a club and how effectively we can serve the kids. So mark your calendars, February 15, 2012 we will be having our first NOW Meeting (New Optimist Wanted). Check your list and go over it twice for names of potential members and remember, without asking, you'll never know if they want to help the kids!

George set our bar quite tall; grow the club by 8 new members, plus to cover the 4 friend of the Optimist that went astray. So please help the kids out and sponsor a new member! Bring them to breakfast any Thursday; they are always welcome to see what we are about.

We are a great group of men and women who enjoy networking, having fun together and working together to improve the lives of youth in our community. So I'm hoping that you all are able to help us grow, the more service we provide, the more successful we become!

I want to close with a quote by Walt Disney, as I believe it says much to what the “Sunrise Optimists Club” members are about.

“You can dream, create the most beautiful place in the universe...but it takes people to make that dream come true.”

New members make us a stronger club!
