

Sunrise Grapevine

President's Corner

George Boronow, President

When reflecting on what our club is and what we do, I want to help us do it well and do it the way our members want it done. I spent some time reflecting on our club in preparation to make some new president remarks at the installation banquet. I want to share some of my thoughts realizing this is the simple version.

We have three main functions to the club. First is our membership services. These are addressed by good meetings, social activities and building friendships that let us carry out our two other functions.

The second function is fund raising. We have a good solid basis with the Packer Pro Shop. It is important that we meet our commitment and help in the friendly atmosphere promoted by the Shop. The new sponsorship program gives us an opportunity do more service projects. The Fund Raising Committee will be providing more details for our Club.

The third function is our service projects for the youth of our community. This is what we are all about. Our goal is to be a "Friend of Youth" and "Bringing Out the Best in Kids". All our volunteer efforts are the life blood for our youth service projects.

The process has connections and threads. We make the connections by building our membership to conduct our fundraising to have funds to conduct our service projects.

We keep it together with the threads of our membership meetings, newsletter, yearly scrap book, etc.

I am looking forward to your input and welcome your ideas and thoughts. Thanks.

George

Motivation

Gordy,

I don't know if you are still doing the newsletter for your club, but I wanted to get you our new blood numbers. I can smell and almost taste that Seroogy's chocolate! Yum Yum. We had 11 (yes that is eleven) volunteers donate blood during September so that means we have 49 pints and need only 3 more donations for our goal! So are you going to deliver or do we have to come over for a visit? Keep on smiling! Linda

Please continue to keep the new Sunrise Sponsorship Program in mind for those that you think might be interested. A part of our new operating budget for 2011-2012 will depend on this Sponsorship Program getting on track. Additional brochures are available, as well as the CD recording of Mary Ann, as a tool to introduce others to Sunrise. The direct benefits to a sponsor can be found in our new brochure. Please let Ron, Phil, or myself know if you have any questions.

First quarter invoices are going out by e-mail shortly. Please continue to keep me updated of any e-mail changes...e-mail me directly(dave.demeuse@summitplanninggrp.com) if you would like to know where you're at with your dues.

Jefferson School Field Trip to National RR Museum

Instead of visiting the NEW Zoo this fall, the Adopters decided to try something new. Larry Frazier worked with the National Railroad Museum to set up a wonderful field trip. The kids enjoyed a train ride around the Museum property and volunteers were scattered around the Museum to explain some of the displays and even put on some skits to explain the history of the trains.

The event was well received by the faculty and the entire student body. Our plan is to continue these field trips every other year alternating with the ZOO field trip.

Thanks to Mel, Judy and John Seiler for helping chaperone the kids.
