## President's Corner

George Boronow, President

The quarterly WINUM DISTRICT Newsletter is now available and is attached to this newsletter. Mike Mason and I plan to attend the winter District meeting in Fond du Lac on February 11th.

I finally wore my new long sleeve shirt for last

Thursday's Club meeting. I bought it from the supply table at the Optimist International Conference in Baltimore in July. I thought I would enhance my wardrobe for my year as president. The shirt has the 2011-2012 logo with the phrase "Optimists-Bringing Out the Best in Kids" and "100% and then some". It is the same logo we print on our weekly meeting agendas.

Well I washed the shirt and hung it in the basement laundry room. Turns out it must not have been permanent press. I have not seen a shirt that wrinkled since I fell asleep on the couch. It has long sleeves so I knew I would not need it until the cool weather arrived. I already have a Sunrise Optimist Club long sleeve shirt, so I didn't feel any need to worry about it.

I found out that hanging in the basement for six months will not take the wrinkles out. I had not ironed a shirt since I was a kid in New Jersey. I dug around the laundry room to find the iron. I had to moisten the fabric with water from the spray bottle. After ten minutes the wrinkles were gone. I guess ironing is like riding a bike.

If you would like to see me model the shirt, I'll be wearing it on Thursdays until I fall asleep on the couch again.

George
