

WINUM DISTRICT DIRECTORY 2010-2011

WINUM DISTRICT
OPTIMIST INTERNATIONAL
2010-2011

“ON TRACK FOR THE KIDS”

The kids, we are all about the kids. What better purpose than serving the kids of our communities. Our clubs accomplish this through a variety of activities. These can range from sporting events, educational activities, scholarships or giving school supplies away to 1,600 kids in three hours on a Saturday morning. Often clubs will make monetary donations to organizations that are also youth oriented. Many clubs, many members, many ideas all serving the kids.

We all know that time is precious. There seems to be more kids in need of our attention with less time to give them the attention they deserve. This is what Optimist International is all about. This is why the WINUM District needs to stay **“On Track for the Kids.”**

This next year as we grow in membership, we need to evaluate our projects and club activities to ensure that we serve more kids with the best that we can give them. All we have to do is stay **“ON TRACK FOR THE KIDS”**.

Yours in Optimism,

Mark Sprangers
WINUM District Governor

Dear Optimist:

Isn't it great to be an Optimist? Aren't you truly happy that one day, someone thought enough of you to invite you to join an Optimist Club? I know that being an Optimist has been a tremendous blessing to me. It has been great for my heart. What a privilege it is to serve you and all other Optimists as President of Optimist International. Wow!

Chances are that you, too, are an Optimist Leader. Congratulations! I think it is awesome that we have the opportunity to lead together this year. Leadership is many things. It is setting the example. It is making decisions. It is building and maintaining a team. Leadership is about listening – with your heart. Leaders are inspiring – with words well delivered, and the silence of fierce determination. Leadership is staying in the arena. I promise you that I will do all of these things every day as your President – and I invite you to do the same.

It is very important that you and I develop new ways of service and membership so that we can attract those we have not yet reached. All of us as Optimists have an investment in this organization and should be a part of the solutions. Our growth must be real and sustained. Together we can make this happen.

I hope that your Club is easy to join and easy to belong to while also providing amazing opportunities to bring about positive change in the youth in your community and in your Members. I urge you to embrace all of the available technology to facilitate meaningful communication. Stay on the lookout for new ways to respond quickly and effectively to our every changing and increasingly challenging world.

I look forward to the opportunity to meet you face to face so that I can say, "Thanks for all that you do."

I am excited that we are on this journey together. I promise that it will be an exciting year. While we can't know everything that will happen, we can be assured that in the end, every heart we touch and every life we change will know that Optimists do indeed bring out the best in kids.

Very truly yours,

Danny Rodgers
International President, 2010-11

Dear WINUM Friends ~

Please allow me to add my thanks to those of Governor Mark's for accepting your current position, and for all that you do to serve the children in the communities throughout the WINUM District. It's going to be an exciting year; International President Danny has asked Governor Mark, you, and me, to take what some might consider "risks" this year – but what we Optimists recognize as "opportunities"!

So together we will have the opportunity to help some new Optimist Clubs come to life – and to be successful in their communities, some of those clubs and their dedicated charter members may not mirror us or our own home Clubs! Together we will have the opportunity to invite new members to join us in our service to kids and community – new members who may not have the time (or the inclination) to attend our meetings, but who will be more than willing to make the time to serve our kids! Together we will have the opportunity to add a new service project that we've never tried before – or even take a deep breath and retire one that is much-loved but no longer needed! Together we will have the opportunity to discover new ways to communicate electronically, not just with our current members – but with our potential members and the children and parents who can benefit from our projects; so that our Optimist message is heard by everyone! Together we will have the opportunity to meet, learn from, and share with new Optimist friends – at the first-ever Parallel District Conferences that are being held throughout our Optimist world this fall (ours is in Bloomington, MN, November 5th-7th)!

My husband Marty and I are excited for this change to renew old WINUM friendships and make new ones – so we hope to see you in Bloomington, at one of the WINUM quarterly meetings, or at another optimistic location! Thank you for the privilege of serving as your International Vice President – I'm honored to have been elected, and I look forward to sharing this journey of opportunities with each of you. And if I can be of assistance at any point along the route to success, I hope you'll call or email me. (I don't twitter or tweet yet, but I'm working on taking advantage of that opportunity)!

Gloria ~

OPTIMIST CREED

~ Promise Yourself~

- To be so strong that nothing can disturb your peace of mind.
- To talk health, happiness and prosperity to every person you meet.
- To make all your friends feel that there is something in them.
- To look at the sunny side of everything and make your optimism come true.
- To think only of the best, to work only for the best, and expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past and to press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.
- To give so much time to the improvement of yourself that you have no time to criticize others.
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

Optimist International
